NOVEL CORONAVIRUS (COVID-19)	
Novel coronavirus disease (COVID-19) continues to spread and is an increasing force health protection (FHP) threat in areas where Department of Defense (DoD) personnel live and work. As the leading U.S. Government public health agency, the U.S. Centers for Disease Control and Prevention (CDC) continues to assess the risk of COVID-19 and provide guidance for those residing in the United States and traveling abroad. The Department of Defense (DoD) civilian workforce holds a unique mission focused posture that can benefit the DoD Expeditionary Civilian Workforce (DoD-EC) program. The talent and experience that DoD civilians have to offer are representative of how our mission success is defined.

The added value for employees who volunteer to deploy include: professional development, opportunity to participate in a diverse workforce of DoD and coalition partners, financial incentives, and ultimately making a difference in the Department of Defense mission. DoD civilians interested in learning more about the DoD-EC may do so using the following link - <https://www.cpmis.osd.mil/expeditionary/home.html>.

Thank you for all of your feedback during the first year of MyBiz+! We appreciate the time and effort you took to let us know what was working for you and what needed improvement. Throughout the last year, and looking forward, we will continue to value your input to enhance MyBiz+.
