ARLIN J DE GROOT
MSG, IDARNG
AGR MANAGER

Training Center Range Safety NCO E6/SSG
Career Management Fields 11, 19, 92

This position is located in the Installation Support Unit Idaho Army National Guard Training Center, Range Operations. The primary purpose of this position is to serve as a Range Safety Specialist with responsibility for coordinating range management programs involving live fire training activities, range safety, range maintenance, and range communications and operations. Assumes the duties of the Range Operations NCO in the absence of the incumbent.

DUTIES AND RESPONSIBILITIES:

(1) Oversees range activities as directed by the Range Operations NCO. These activities include coordination of the range maintenance program in order to ensure fully operational ranges. Ensures all range operations are conducted to Department of the Army (DA) standards established by applicable DA weapon systems field manuals and technical manuals.

(2) Applies and enforces the Installation Range Safety Program. Assist the Range Operations NCO in preparing installation range safety publications. Follow personnel duty schedules to ensure organizational personnel observe live training events on the installation range complex. Ensures all range activities are conducted in accordance with installation safety guidelines and standard operating procedures.

(3) Conducts and prepares installation capability briefings and tours as directed by the Range Operations NCO. Interfaces directly with military, civilian and law enforcement agencies desiring to use the installation range complex. Assists other range control personnel in the verification of correct surface danger zone diagrams in support of new ranges or new range construction. Represents the function at meetings and briefings as directed. Serves on additional installation working groups and committees as directed.

(4) Oversees the work effort of employees who are involved in supporting the operation and maintenance of ranges.

(5) Assumes the duties of the Range Operations NCO in the absence of the incumbent.

(6) Performs other duties as assigned.

Knowledge Required by the Position

--Practical knowledge of a wide range of established ARNG range management principles and concepts involving range operations, live fire training activities, range safety, range maintenance, and range control and communications. Must attend and graduate from the Range Operations Course and Range Safety Course.

--Knowledge of range activities, functions, and mission to provide support and services to training activities.

--Knowledge of current military doctrine as related to the training center and range operations to analyze problems and recommend solutions to eliminate problems.

--Working knowledge of regulations, pamphlets, and instructions regarding policies and procedures for firing and handling ammunition.

--Knowledge of basic automation programs and systems to facilitate documentation and reporting.
